

Original Bcompact Side Folding Ladder

Ladder above with OPTIONAL short, fixed handrail

The **Bcompact original side folding Ladder** offers a simple, budget-friendly solution for replacing mobile/ship ladders, folding attic ladders, and some staircases.

Featuring a bamboo side folding structure and spring mechanism, this ladder is custom-sized and priced to your specifications.

Perfect to use in various locations, attics, rooftops, lofts, mezzanines, garages, storages, bedrooms, and even outdoors, with multiple angle and height options, plus extra wide and narrow width versions.

Maximize your space with the revolutionary Bcompact folding Ladder.

Materials & Colours

Sustainably sourced Bamboo Ply

	Narrow LADDER	Wide LADDER
A	Height Range (floor-to-floor): 1200mm – 3700mm / 47.2" – 145.7"	
B	Angle Range: 60° – 70° degrees	
C	Overall Width Unfolded: 575mm / 22.64" (581mm / 22.87" at 2 points with fixed handrail)	Overall Width Unfolded: 715mm / 28.15" (721mm / 28.39" at 2 points with fixed handrail)
D	Overall Width Folded: 40mm / 1.57" (46mm / 1.81" at 2 points with fixed handrail)	
E	Step Rise Height Range: 246mm – 400mm / 11.22" – 15.75"	
F	Step dimensions: 142mm x 560mm x 25mm / 5.59" x 22.05" x 0.98"	Step dimensions: 142mm x 700mm x 25mm / 5.59" x 27.56" x 0.98"
G	Ceiling Access Hole Requirement: Length will be proportional with angle of Ladder (G2), Width min. of 585mm / 23.03" (no handrail) 591mm / 23.26" (with handrail)	Ceiling Access Hole Requirement: Length will be proportional with angle of Ladder (G2), Width min. of 725mm / 28.54" (no handrail) 750mm / 29.52" (with handrail)
H	Height above upper level in folded position <ul style="list-style-type: none"> - Minimum required (NO handrail): 536mm / 21.10" - Short bracket & fixed stand-off rail: (H2) 1000mm-1100mm / 39.37"- 43.31" - Extended bracket & fixed stand-off rail: (H2) 1000mm-1200mm / 39.37"- 47.24" 	Height above upper level in folded position: <ul style="list-style-type: none"> - Minimum required (NO handrail): 676mm / 26.61" - Short bracket & fixed stand-off rail: (H2) 1150mm-1250mm / 45.28"-49.21" - Extended bracket & fixed stand-off rail: (H2) 1300mm-1350mm / 51.18"-53.15"
I	Ladders <u>DO NOT</u> come standard with a bi-folding Aluminium handrail mechanism and rail. Fixed handrail available as optional extra.	
J	Optional Extra: Fixed Stand-Of Aluminium handrail (two sizes) Top & Bottom Locks Colour Finish Handrail sizes <ul style="list-style-type: none"> - Short Bracket Size 100mm / 4": approx. 38.5mm / 1.52": rail height stand-off Stringer - Extended Bracket Size 300mm / 12": approx. 210mm / 8.27" rail height stand-off Stringer
